**RENEWED PETITION TO ACCEPT UNINTENTIONALLY DELAYED CLAIM FOR
PRIORITY UNDER 35 U.S.C. § 120**

Mail Stop Post Issue
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This renewed petition is hereby made in the above-identified case in response to the decision mailed October 21, 2005, dismissing the original petition filed September 23, 2005. Patentees hereby request acceptance of a delayed claim for priority under 35 U.S.C. § 120 to U.S. Application No. 09/992,062, now U.S. Patent No. 6,882,387, filed November 5, 2001.

This renewed petition responds to comments made by the Examiner in the Decision on Petition under 37 CFR 1.78(a)(3), dated October 21, 2005. More specifically, Patentees submit that the attached certificate of correction reflects the following corrected chain of priority, and further states that only Serial Number 09/048,754, filed on March 25, 1998, now Patent No. 6,181,397, may be incorporated by reference, since a statement to that effect was present in the original filing. Patentees believe that these changes correct for the reasons stated in the original dismissal.

The entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date claim is made was unintentional.
